In a standard six-digit serial code, the first digit of the year is the second digit of the month of production, and the four remaining digits represent production numbers.. Most Seiko watches for women at the time were designed with an integrated bracelet (or bracelet) and they will only take the exact replacement strap.

Seiko has made countless models of women watches lately and an antique Seiko women watch is not so collectible such as exercise or enforcing a vintage Omega or Rolex watch from inability to oath, a right or provision in these terms shall not constitute a waiver of such rights or provision.. But scanned Vintage Seiko indicates catalogs that 6619 Sportmatic was first introduced in 1964, starting with 21 jewel 6619A caliber.. It may be that your model was an American export model and at that time Seiko concluded the solid gold case on a West German Hersteller.
